OUR MISSION

*"Creating opportunities
to empower and
strengthen our
community"*

Dear Friends, Community Members, and Supporters,

Yamhill Carlton Together Cares (YCTC) is a non-profit 501(c)3 organization founded in 1998 as a grassroots effort to serve the critical needs of youth and families in the greater Carlton and Yamhill areas. The majority of our time, energy, and funds have been focused on providing youth with useful roles in the community, safe and healthy activities to participate in, and good role models to surround themselves with. This last year has been hard for everyone, yet YCTC continues to serve the community. During this time we were able to...

- Apply for over 80k in emergency grants to help keep our kids safe, and our Non-Profit running
- With these grants we were able to keep Tiger Academy open full day all year for families who need support-- 20 kids for the year
- Opened and ran our Learning for Life Preschool for the entire year and will be coming back strong this coming school year
- YC Soccer held free and seasonal play year round-- ~650 kids involved
- Baseball had a record 110 kids participate this last spring, with our 7/8th grade team winning state!
- Softball had 34 girls compete in spring and will be strong in the fall
- We also held some volleyball, basketball and track programs at free to minimal cost.

We are currently planning our First Annual Cornhole Tournament at Crowing Hen Brewery, and want you to be involved. The event will take place on Saturday, September 18th at Crowing Hen Brewery in Carlton.

If you would consider sponsoring this fundraising event, please see the attached sponsorship levels and sponsor form. Can't sponsor but want to donate an item for our silent auction, we would greatly appreciate it.

Thank you
Kristi DeGroat
